

# Due Diligence Summary

# Due Diligence Summary

---

**Compomill Nordic Components AB**  
**Certification ID: TC4221-9383**

**15 January 2022 - 14 January 2023**

**Due diligence is not a guarantee against past or potential wrongdoing or against potential liability.**

**Depending on the nature, size, scope and location of the proposed project with an intermediary, more extensive due diligence may be warranted.**

No "red flags" or significant areas of concern were identified during the due diligence review.
